DETAILED ACTION

All 35 USC § 103 Claim Rejections are withdrawn

Each of the outstanding 35 USC § 103 rejections from the Office Action mailed on July 8, 2011 is withdrawn.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The instantly claimed invention is neither taught nor fairly suggested by any teachings in the prior art. The new limitation introduced in the amended independent claim 28 is not suggested or disclosed in the prior art of record.

Furthermore, the Examiner at the date of this Office Action has not located or identified any reference that can be used singularly or in combination with another reference to render the instant invention anticipated or obvious to one of ordinary skill in the art.

Conclusions

Claim 28 is allowed.

If Applicants should amend the claims, a complete and responsive reply will clearly identify where support can be found in the disclosure for each amendment. Applicants should point to the page and line numbers of the application corresponding to each amendment, and provide any statements that might help to identify support for the claimed invention (*e.g.*, if the amendment is not supported *in ipso verbis*,
